

**2.7.2. 123 Performance in Year 6 VANSTA, by province, sex, language of instruction and subject - 2017, 2019**

Performance of students in year 6 with respect to the share of students meeting or exceeding the minimum standard improved for both females and males within Numeracy and Alphabétisation Français. However, English literacy performance of male students decreased and females improved from 2017 to 2019 (see chart – 2.7.2)
