OFFICE OF THE DIRECTOR GENERAL - BUREAU DU DIRECTEUR GENERAL

20th March 2020

To: All MoET Staff

Dear MoET Staff

Re: Approval and Implementation of Emergency Operation Centre (EOC) Structure

This is to inform all staff the Emergency Operations Centre organizational structure, as attached, that has been reviewed by the COVID-19 Technical Working Group has my approval, and will be implemented in response to any emergency situations that may arise.

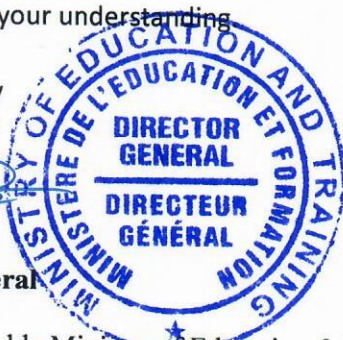

With the current outbreak of the corona virus (COVID-19) being declared by the World Health Organization (WHO) as a pandemic, I am authorizing the pre-activation of the Emergency Operation Centre (EOC) and have established a COVID-19 Technical Working Group to develop and implement a strategic plan that will assist to minimize the risk of the COVID-19 from spreading amongst our offices, schools and institutions.

All staff will be required to respond immediately to any requests from the COVID-19 Technical Working Group to ensure that tasks are accomplished within the given timeframe.

Thank you for your understanding

Yours sincerely

Iati Bergmans
Director General
