

1.8.6 Education expenditure per student in Primary education by source of funding

Only the grants were considered as expenditure.

The Education expenditure per student in primary school has slightly decreased by 6% over the last three years to reach 15,047 VT in 2020. In terms of provincial level, the highest education expenditure per student was in Shefa for 19,679 VT and the least observed expenditure per student was in Torba for 10,809 VT for 2020.

Note: The calculation of the grants needs to be reviewed as it might be an error. It's connected to the calculation grants in the above indicators. In terms of expenditure all grants that had zero student enrollment were removed and not factored in when we calculate the expenditure.
