

2022 Education Key Indicators

The Ministry of Education and Training Key Indicators are published every year. They help the ministry, provincial education offices, schools and development partners in their efforts to improve the sector.

Student teacher ratio per school type

Ministry of Education and Training standard student teacher ratios are:

1 to 15*
in early education centres

1 to 30*
in primary schools

1 to 25*
in secondary schools

*The student teacher ratio in early childhood is prescribed by the Early Childhood Care & Education Policy of 2017. The student teacher ratios in primary and secondary schools are determined by the Education Regulation Order No.44 of 2005.

Grant allocations in 2022

58% contributions from the Government of Vanuatu

42% contributions from development partners

The Government of Vanuatu only pays grants for registered government and non-government assisted schools. Non-government (private) schools received a one-off grant in 2022. In registered early childhood centres, grants are only paid for 4 and 5-year-old students.

Annual grant in 2022 per student

Funded by the Government of Vanuatu

Funded by the Government of Vanuatu and supported by the Government of Australia
