

SANMA PROVINCIAL EDUCATION
TC HAROLD
IMPACT ASSESSMENT REPORT

MAY 2020

1. SANMA AREA COUNCIL MAP

Manua.R.Joel@SPGC

2. ASSIGNMENT

A ten-member team of Ministry of Education and Training staff at the Central Port Vila Office were assign on a two weeks assignment to assist SANMA Provincial Education Officer and his team to carry out the impact assessment of TC Harold in SANMA Province. Below is the list of the assessment teams.

Port Vila Education Team

#	Name	Position
1	Mr. Gideon John	Director
2	Mr. Johnson TOA	PEO TVET
3	Mr. Adrian Banga	IT Manager
4	Mr. Smith Anderson	A/ Pre School National Coordinator
5	Mr. Brian Balmet	Audit Officer
6	Mr. Joseph Timatua	Teachers Welfare Officer
7	Mr. Jean Anthony Iakan	SEO Expenditure Analyst
8	Mr. Troy Mahuk	Project Officer
9	Mr. Jeremy Bule	Accounts Clerk
10	Mr. Chapman Mogeror	SEO Property Maintenance Officer

SANMA Education Team

#	Name	Position
1	Mr. Thompson Paul Wari	PEO SANMA
2	Mrs. Joplin Tambe	School Improvement Coordinator
3	Mrs. Susan Balesa	School Improvement Officer
4	Mr. Harkuk Vocor	Inspector
5	Ms. Roselinda Tafao	Education Officer Anglican Dioceses
6	Mr. Leo Ofa	School Improvement Officer
7	Mr. Agustin Rihai	Education Secretary Anglican Church of Melanesia
8	Mr. Tavi Alfred Naliupis	Driver SANMA Education Office
9	Mr. Silas Boaz	Pre School Coordinator
10	Mrs. Anita Obed	Mobile Early Childhood Officer – South Area 2
11	Mr. Simon Bange	TVET Coordinator
12	Mr. Socopoi Mele	School Improvement Officer
13	Mr. Jean Andre	Provincial Trainer
14	Ms. Cindy James	Mobile Early Childhood Officer – West Coast
15	Mrs. Maeva Popo	Kindy Teacher – Guide
16	Mr. George Kaloman	Principal Limarua School - Guide
17	Mr. Sano Jimmy	Principal Ian Livo – Guide
18	Mr. Graham Miller	Principal Merei/ Mamara School - Guide
19	Ms. Komoah Maoh	Mobile Early Childhood Officer – North West Coast - Guide
20	Mr. Marcel Bomwel	School Improvement Officer
21	Mrs. Anika Tamsel	Safe the Children
22	Mrs. Alina Paul	Provincial Trainer
23	Mr. Tanga Vira	Provincial Maintenance Officer
24	Mrs. Lynette Lerr	VEMIS Data Entry Officer
25	Mrs. Mayble Wilbur	Secretary Churches of Christ Education Authority
26	Mr. Ishmael Rongo	Provincial Trainer
27	Mrs. Michaela Imbert	Provincial Trainer
28	Ms. Lonia Tovor	Assisting Provincial Finance Officer
29	Mr. Edmund Vurobaravu	Principal Alowaru – Guide
30	Mrs. Jennifer Sebas	School Improvement Officer

The Team travelled to Santo on the afternoon of Friday 17th April 2020.

A first meeting was held with PEO SANMA and his staff on Saturday 18th of April 2020 to finalize the following followed by daily meetings;

- Draft plan for the impact assessment in SANMA including the training of Assessors on the Assessment Forms.
- Verification and confirmation of ECCE, Primary, secondary schools and PSET centres by SIOs and ECCE coordinator according to areas and zones.
- Type of Assessment to be conducted in SANMA schools according to location.
 - Face to face – Interview and observations and photos.
 - Telephone Assessment using forms and verification through photos.
 - Self-assessment by schools and forms checked and verified by Assessors and photos.
- Groupings for deployment according to location of schools (Luganville, coastal areas and inland areas (10 school group) to central with team leaders from SANMA team and one MOET team member.
- Confirm the number of vehicles and drivers.
- Set up of operation centre at SANMA Education Office.
- Familiarization of all Assessment forms to assessment team (ECCE, PS, SS, PSET, WASH, Facilities)
- Assessment travelling schedule.

3. OBJECTIVE

The objective of the assignment is to assist SANMA Provincial Education Office to carry out the impact assessment of TC Harold in SANMA Province.

4. METHODOLOGY

- Verification and confirmation of ECCE, Primary, secondary schools and PSET centres by SIOs and ECCE coordinator according to Areas and zones.
- Type of Assessment to be conducted in SANMA schools according to location. (Face to face –Interview, Self-assessment and Telephone Assessment using forms)
- Purpose, when and why contacting assessment type taking into consideration assessor welfare and route.

5. DAMAGE IMPACT

The magnitude of TC Harold damage in SANMA province was huge and is summarized as follows;

- North West Santo Area Council – [Partly damaged.](#)
- West Santo Area Council, South Santo 1 Area Council, South Santo 2 Area Council, Big Bay Inland Area, West Malo Area Council, East Malo Area Council and Luganville Municipality – [Completely damaged.](#)
- Canal Fanafo Area Council, South East Santo Area Council, Big Bay Coast Area Council – [Partly damaged.](#)
- East Santo Area Council – [Not damaged.](#)

The worst hit are Early Childhood Centres and Primary schools with a few secondary schools and Post School Education and Training providers.

The key reasons for the huge damage to education facilities in SANMA can be summarized as facilities were not build to standards and aging facilities.

Building and WASH Facilities Were Not Build to Standards

- Not engineered school buildings built from local materials made of wood for structure, thatch for roof and bamboo walls. Most of the facilities are ECE Centres and remote and recently established primary schools.
- Not engineered semi-permanent school buildings that are not cyclone resistant. Most are primary school facilities.
- School buildings are not build to building to engineered standard building designs.
- Prefabricated buildings which are not category 3 to 5 cyclone rated mostly in a few Luganville schools.

- WASH facilities are not built to standard.

Aging Facilities

- Aging school buildings built before independence with associated factors affecting structures such as termite invasion and lack of maintenance. They are mostly urban primary schools and secondary school facilities.

Curriculum

- There is a strong connection between the damage facilities and damage school resources and materials as well as water entering the buildings by strong winds but some good examples from some schools, which have kept their school resources and materials safe even though their buildings were blown down provides learning experiences for future disasters. For example; the Principal of Lape School in Big Bay Bush Area Council managed to keep all school resources and materials safe by relocating the school resource and materials boxes to a building that was a safe shelter.

Access to Schools

TC Harold has caused difficult to impossible access to schools inland schools in West Santo Area Council, South Santo 1 Area Council, South Santo 2 Area Council, Big Bay Inland Area Council due to river overflow, trees and difficulty to find access road.

Communication

Communication in some parts of the island of Santo especially West Santo Area Council, South Santo 1 Area Council, South Santo 2 Area Council, Big Bay Inland Area Council is difficult due to no access before and after the cyclone disaster.

6. SCHOOLS DAMAGE STATUS AND NEEDS GAP

The tables below summarises the schools damage status and needs gap to assist with emergency response and prioritization for reconstruction. The details of damage by school type are attached tables as indicated in the table below.

Summary Needs Gap for Sanma Schools Temporary Learning, Teaching and Living Facilities

Summary Damage Status Sanma Schools Resources or Materials

The table below summarises the damage status in percentage. It showed that almost 70% of schools (ECE, Primary, Secondary and Post School Education and Training) lose over 50% to 100% of their school resources or materials. The Curriculum Development Unit will detail each school needs by different types of resources and materials.

SUMMARY OF DAMAGE STATUS - SCHOOLS RESOURCES OR MATERIALS			
School Type	Damaged Status	Number of Schools	Percentage Damage
All (ECE, PS, SS & PSET)	Major Damaged	128	100%
	Major Damaged	58	76-99%
	Major Damaged	54	26-50%
	Minor Damaged	22	1-25%
	Not Damaged	52	0%
Total Number of schools (ECE, PS, SS & PSET)		314	

DAMAGE STATUS - SCHOOLS RESOURCES OR MATERIALS BY SCHOOL TYPE			
School Type	Damaged Status	Number of Schools	Percentage Damage
Early Childhood	Major Damaged	87	100%
	Major Damaged	31	76-99%
	Major Damaged	22	26-50%
	Minor Damaged	12	1-25%
	Not Damaged	30	0%
Sub Total Early Childhood		182	
Primary	Major Damaged	36	100%
	Major Damaged	19	76-99%
	Major Damaged	25	26-50%
	Minor Damaged	6	1-25%
	Not Damaged	16	0%
Sub Total Primary		102	
Secondary	Major Damaged	4	100%
	Major Damaged	4	76-99%
	Major Damaged	4	26-50%
	Minor Damaged	2	1-25%
	Not Damaged	3	0%
Sub Total Secondary		17	
Post School Education & training	Major Damaged	1	100%
	Major Damaged	4	76-99%
	Major Damaged	3	26-50%
	Minor Damaged	2	1-25%
	Not Damaged	3	0%
Sub Total Post School Education & training		13	

Summary Damage Status for Sanma Schools Wash Facilities

The table below shows that over 50% of School WASH facilities have been destroyed and needs to be reconstructed and improved immediately as a measure to continue to improve the overall school hygiene and preventive measures for COVID 19.

SUMMARY OF DAMAGE STATUS - WASH FACILITIES		
School Water Source is Functional		
School Type	Status	Number
Early Childhood Education	Yes	86
	No	96
Primary	Yes	49
	No	53
Secondary	Yes	12
	No	5
Post School Education & Training	Yes	5
	No	8
Total		314
School Hand Washing Facilities is Functional		
School Type	Status	Number
Early Childhood Education	Yes with Soap	34
	Yes but no Soap	23
	No	125
Primary	Yes with Soap	14
	Yes but no Soap	12
	No	76
Secondary	Yes with Soap	3
	Yes but no Soap	4
	No	10
Post School Education & Training	Yes with Soap	2
	Yes but no Soap	1
	No	10
Total		314

School has Functional Toilets		
School Type	Status	Number
Early Childhood Education	YES	69
	NO	113
Primary	Yes	50
	NO	52
Secondary	YES	12
	NO	5
Post School Education & Training	YES	8
	NO	5
Total		314

Summary of Schools Used As Evacuation Centres by School Type

The table below shows the number of schools that are used as evacuation centres. Usually school facilities are used as evacuation centres during any cyclone disasters but during TC Harold, very few schools, 86 out of the 314 schools (27%) were used as evacuation centres. One of the obvious reasons why many schools are not used as evacuation centres because they are not safe shelters and were damaged by the cyclone.

School Type	School Used as Evacuation Centre	Percentage by School Type
Early Childhood Education	28	15%
Primary	45	44%
Secondary	9	53%
Post School Education & Training	4	31%
Total	86	27%

7. CHALLENGES

There three key challenges during the impact assessment affected the duration of the assessment and reporting.

Unregistered Schools/ Changes in School Name

There is quite a number of unregistered (30+) and schools with changed names without formal approval in accordance with the School Registration Policy. This has caused a lot of difficulty and confusion with SANMA PEO Office in confirming the list of schools.

PEO SANMA will work with Policy and Planning Unit on the registration of the schools of unregistered schools and confirmation of school name changes.

Availability of Principals and Teachers

Another key challenge is the availability of principals and teachers to provide relevant information during the assessment. This caused the assessment to take longer.

8. RECOMMENDATIONS

- It is recommended that assessment tool be revised and finalized.
- It is recommended that the finalised assessment tool is circulated to all schools and included as a module on Open VEMIS so that the reporting requirements are within a click of the mouse once all data have been captured to enable swift emergency response.
- It is recommended that a specific unit be given the task of reporting in an agreed format from the information captured on KOBO or in the future the Open VEMIS to enable consistency of reporting.

9. ACKNOWLEDGEMENT

Team Port Vila would like to acknowledge Team SANMA for the leadership of SANMA Provincial Education Officer and his staff, Mobile Early Childhood Teachers, School Improvement Officers and Inspectors for coordinating and assisting the overall assessment in SANMA.

Equally, Team Port Vila would also like to acknowledge the valuable contributions of the following organizations for assisting Education Team in the overall impact assessment and logistics.

- SANMA Provincial Government Anglican Church of Melanesia (ACOM) Education Authority
- SANMA Provincial Emergency operation Center
- Churches of Christ Education Authority
- Assistant Police Commission/ Commander North
- Tororua Captain and Crews
- Safe the Children
- SANMA Skills Partnership
- SANMA Principals, Teachers and Community Leaders

10. TEAM VILA LEAVE

Team Vila departed to Port Vila on the afternoon of Friday, 1st May 2020.

Gideon John
